

LAC DU BONNET PLANNING DISTRICT DEVELOPMENT PLAN REVIEW

PLANNING TODAY - FOR YOUR TOMORROW.

The Lac du Bonnet Planning District is currently reviewing its Development Plan

WHAT IS A DEVELOPMENT PLAN?

A Development Plan (DP) is a document that outlines a community's vision and goals for the future. In order to achieve the community's vision and goals, the DP sets out the broad objectives and policies that guide future growth and development.

The current Development Plan was adopted in 1986 and is considered outdated. The intention of this DP review process is to develop a new plan that reflects the community's vision for the future. The DP review is also your opportunity to provide input on what the community's vision should be, as well as to express any concerns and ideas regarding how your community should grow over the next 20 years.

If you have any questions or comments, please feel free to contact the Planning District or the Planning District Consultant (Scatliff+Miller+Murray Inc.):

Phone: (204) 927-3444
Email: deno@scatliff.mb.ca

HOW CAN YOU PARTICIPATE?

At various stages throughout the DP review, the Lac du Bonnet Planning District will be asking for public input at various public consultation events. The goal of these public consultation events is to receive public input, which will assist in creating a Development Plan that meets the needs and aspirations of the community.

All Development Plan events will be advertised in the local paper and on the Lac du Bonnet website (www.lacdubonnet.com). You can also call, stop by, or email the Planning District at any time during the review process. Your input is always welcome.
